

About Us

Check Point Software Technologies is a global leader in cyber security solutions, dedicated to protecting corporate enterprises and governments worldwide.

Our Mission

For over 30 years, our mission has been to secure the digital world for everyone, everywhere. From pioneering stateful firewalls to our AI-powered, cloud-delivered security solutions, we are committed to safeguarding organizations with an industry-leading 99.8% prevention rate.

30 Years of Security in Action

What We Do

Through our Check Point Infinity Platform, we provide cutting-edge solutions to defend against the most sophisticated cyber attacks. Our portfolio includes Check Point Harmony to secure the workforce, CloudGuard to secure the cloud, and Quantum to secure the network.

Our Values

Check Point is committed to making the world a safer and more secure place, and this commitment applies to our work both on the internet and the physical world alike. We promote a safe, healthy, supportive and diverse work environment, with training and development opportunities for all employees. We achieved gender parity in our C-Suite, and we are committed to equal opportunities and equal rewards for all.
